

AYARA LUK IS A POP-UP THAI EATERY AND A CULINARY PROJECT OF AYARA THAI.

In Thai, 'luk' means child. Our goal is to adopt our parents' recipes and expand on it with dishes inspired by our experiences as first generation Thai-Americans. Our changing menu is small and curated to feature favorites from Ayara Thai, our take on classic Thai dishes, and environmentally-conscious ingredients. To us, these changes mean infusing our contemporary values with the Thai culinary heritage that we have inherited from our parents.
